Covid19 Guidelines for Visitors

All artists and venues have put measures in place to ensure a safe and enjoyable experience for visitors this year. Please help us by adhering to the following guidelines.

Please wear a face covering, unless visiting an outdoor exhibition or you have an exemption

Please use the hand sanitiser provided and wash your hands when you can

Please keep a 2 metre social distance from other visitors

Take note of each venue's capacity, and wait to be invited in if other people are already there

If you're asked to queue, please try not to obstruct pavements, and keep a safe distance

Please follow one way systems

Use contactless payments where possible

If you develop a new continuous cough or fever, please inform the venue, leave immediately, and follow the Government advice on staying at home
